Materials, sizes and terms

Materials

cream: about 160 yd (one placemat-size piece, estimate)
The yardage is for ONE placemat: for a set of 4, plan about 640 yd.
Choose a smooth 100% cotton yarn: it washes well.
Yarn needle, scissors, rust-proof pins and a towel or a foam mat for blocking.
Hook: US E-4 (3.5 mm), or the size you need for the gauge; yarn needle
Time: About 6 hours 30 minutes (estimated, not timed)

Abbreviations (US terms, UK in brackets)

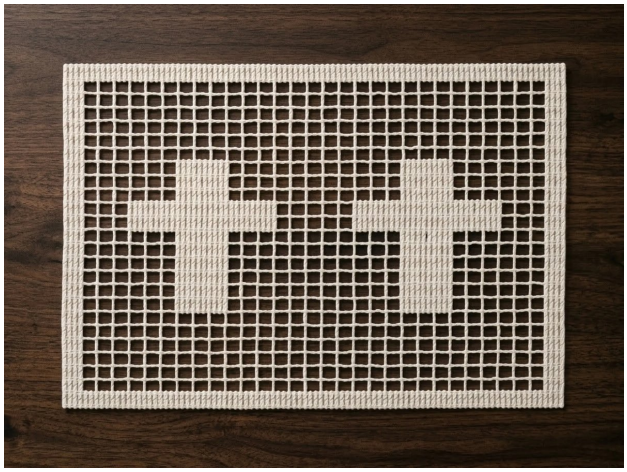
ch = chain
dc = double crochet (UK tr)
bl = block: 3 dc
sp = space: ch 2, then a dc
st(s) = stitch(es)

Gauge

20 dc and 8 rows = 4 in (10 cm) (suggested: measure your own)

Notes

- US crochet terms. ch = chain, dc = double crochet, st(s) = stitch(es), bl = block, sp = space.
- bl (block) = dc in the next 2 sts (or 2 dc in the ch-2 space) and in the next dc. sp (space) = ch 2, skip 2 sts (or the space), dc in the next dc.
- Every row has 31 squares = 94 sts: the first dc, then 3 sts for every square.
- Ch 3 at the start of a row counts as the first dc: skip the dc at the base of the ch-3, and work the last dc of each row in the top of the turning ch-3 (on Row 2: in the top of the 3 skipped ch of the foundation chain).
- Odd rows are worked right to left (←), even rows left to right (→). Row 1 is the bottom row of the chart.
- Photos are previews of the finished look, not a crocheted sample.



On walnut: every block and space matches the chart.

Row 2

(→): ch 3, turn; 1 bl, 29 sp, 1 bl = 31 squares (2 bl, 29 sp), 94 sts.

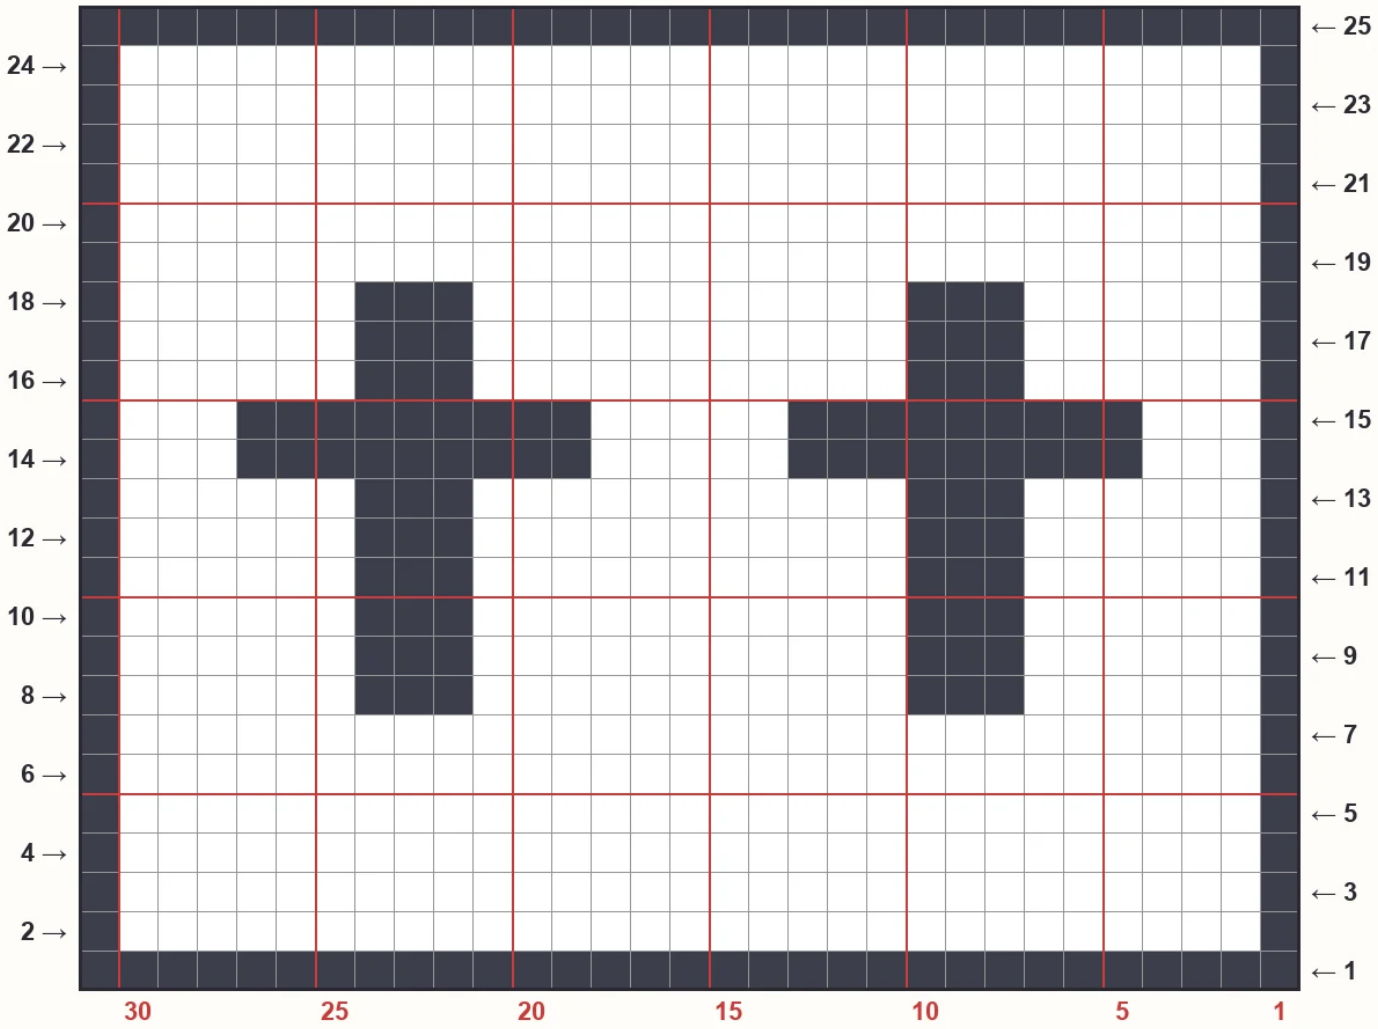
Chart

Filet chart: 31 squares x 25 rows

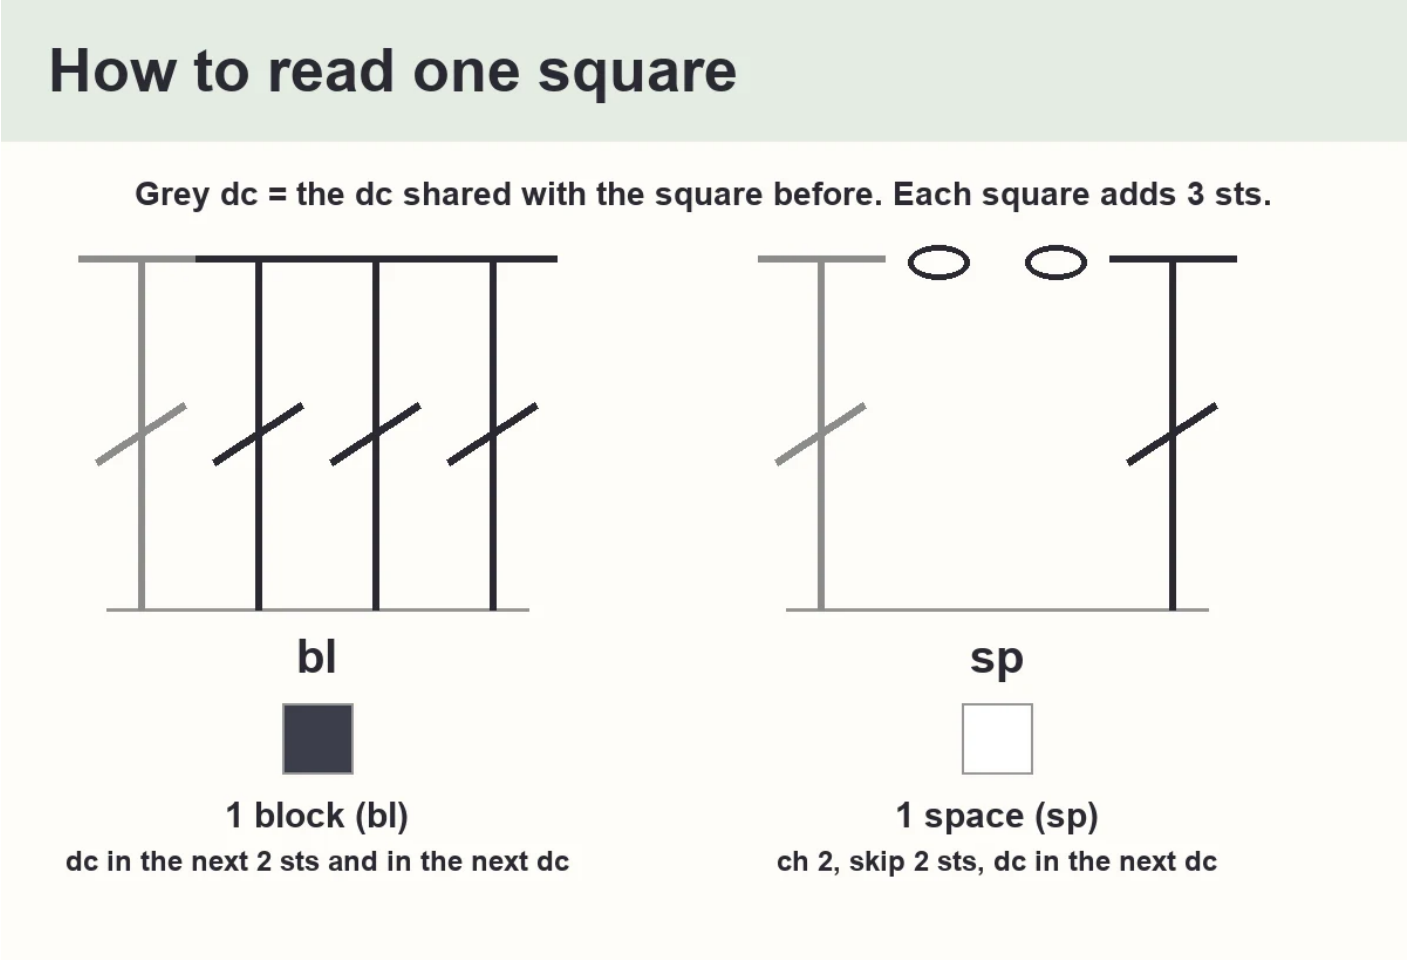


block (bl) = 3 dc **space (sp) = ch 2, dc**

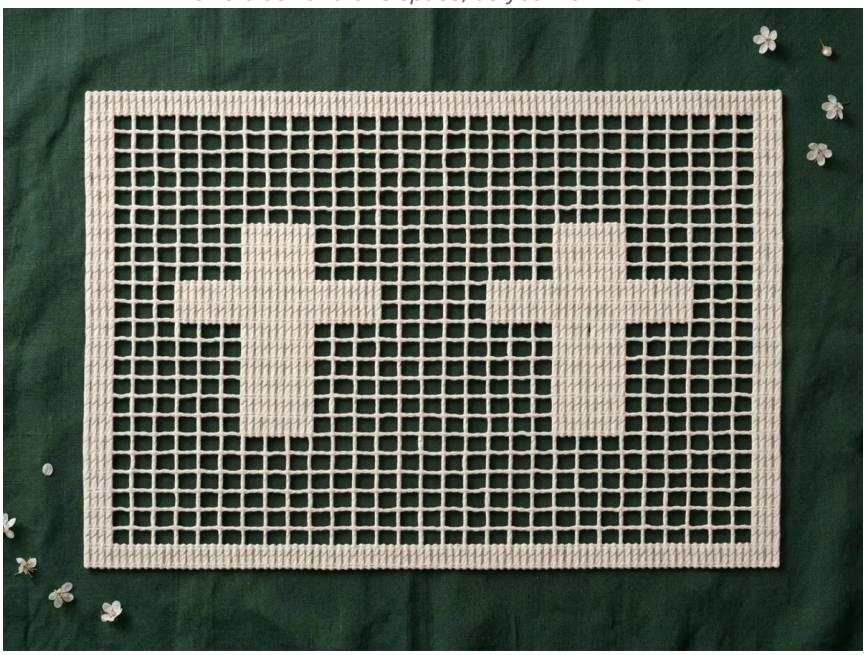
Row 1 is at the bottom. Odd rows: right to left (←). Even rows: left to right (→).
Square 1 = the right edge. Red lines every 5 squares and every 5 rows.

The chart: a filled square is a block, an empty square is a space. Row 1 is at the bottom.

Diagram



One block and one space, as you work them.



Each cross: an upright 3 squares wide and a crossbar 9 squares wide.

Finishing

Once it is blocked and dry, it is ready for the table.

Finish and block

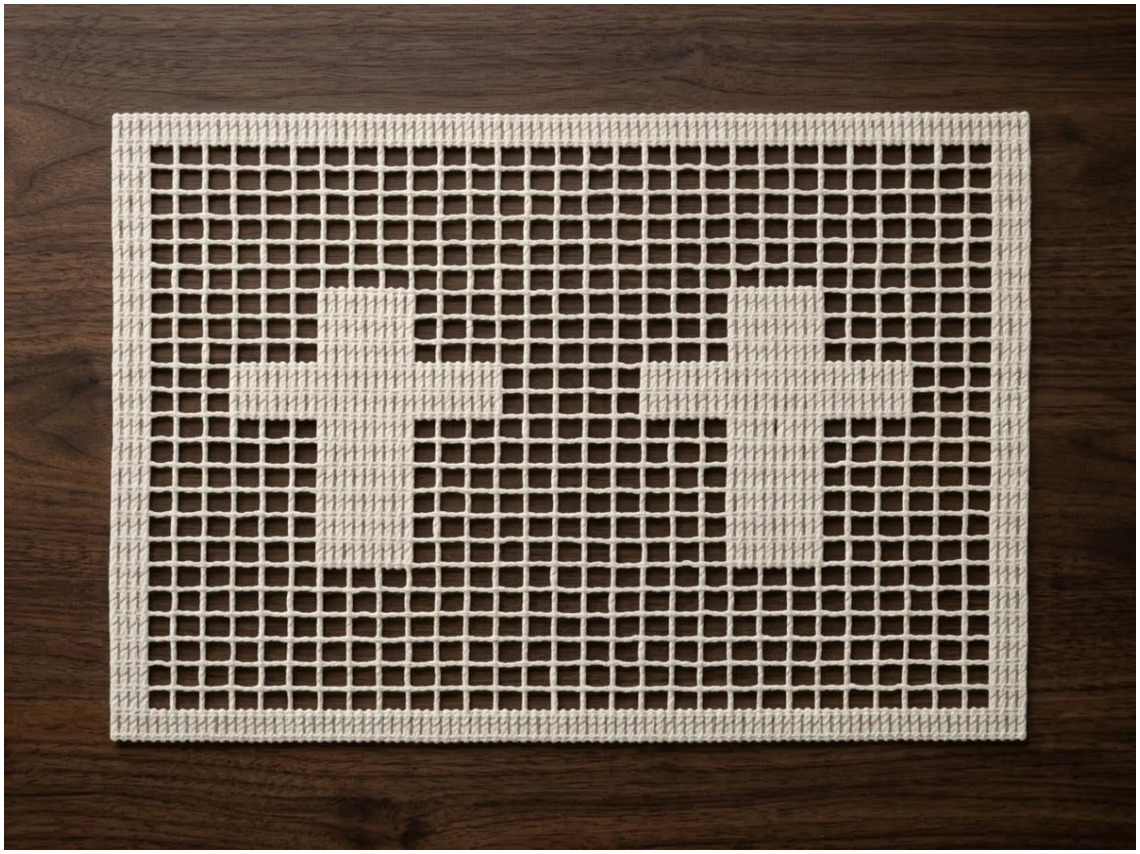
1. Weave in the ends

Weave in both ends along the solid border.

2. Block it

Pin it flat with square corners, one pin in each corner and every few squares along the edges. Mist it with water or spray starch and let it dry fully before you unpin.

Care: Wash as your yarn label says (most cotton yarns: machine wash on a gentle cycle in a laundry bag), then block it flat again to dry.



Preview from above: the two crosses stand out against the open mesh.
