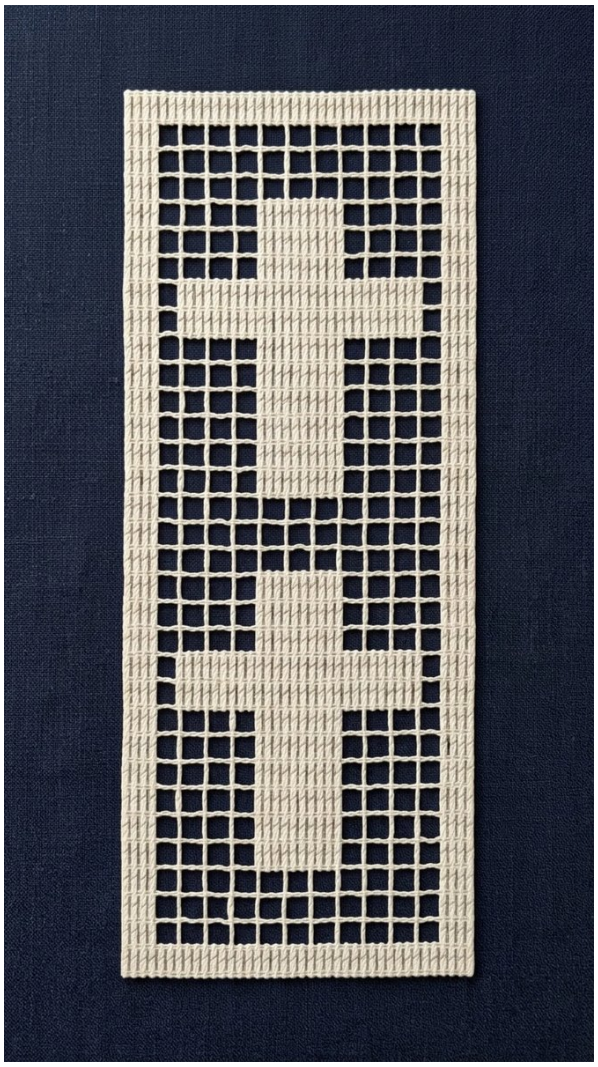
Two crosses stacked in blocks and spaces · US terms



The finished look: two crosses in cream thread. Photos are previews of the finished look, not a crocheted sample.

Finished size: About 3 x 7 1/4 in (7.7 x 18.6 cm), estimated from the gauge below
Chart: 13 squares x 33 rows: 178 blocks, 251 spaces (58% open)
Yarn: Size 10 crochet cotton thread in cream: about 40 yd (estimated, with a 20 % margin)

Our simulator replayed every row. This pattern has not been crocheted and swatched by a person: size, yarn and time are estimates, and your piece will differ a little.

Materials, sizes and terms

Materials

cream: about 40 yd (estimate)
Tapestry needle and scissors; spray starch (optional) for a crisp, flat bookmark.
DK cotton and a US G-6 hook make the same chart much bigger (a small wall hanging): the stitch counts stay the same.
Hook: 1.65 mm steel crochet hook (US size 7 in most brands), tapestry needle
Time: About 4 hours (estimated, not timed)

Abbreviations (US terms, UK in brackets)

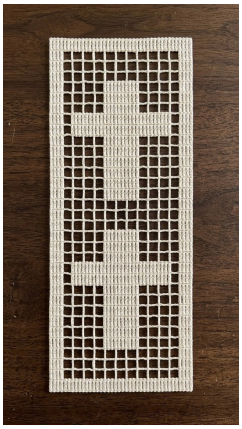
ch = chain
dc = double crochet (UK tr)
bl = block: 3 dc
sp = space: ch 2, then a dc
st(s) = stitch(es)

Gauge

About 4 1/2 squares and 4 1/2 rows = 1 in (2.5 cm) (suggested: measure your own; the size is approximate)

Notes

- US crochet terms. ch = chain, dc = double crochet, st(s) = stitch(es), bl = block, sp = space.
- bl (block) = dc in the next 2 sts (or 2 dc in the ch-2 space) and in the next dc. sp (space) = ch 2, skip 2 sts (or the space), dc in the next dc.
- Every row has 13 squares = 40 sts: the first dc, then 3 sts for every square.
- Ch 3 at the start of a row counts as the first dc: skip the dc at the base of the ch-3, and work the last dc of each row in the top of the turning ch-3 (on Row 2: in the top of the 3 skipped ch of the foundation chain).
- Odd rows are worked right to left (←), even rows left to right (→). Row 1 is the bottom row of the chart.
- Photos are previews of the finished look, not a crocheted sample.



On walnut: every block and space matches the chart.

In cream, one piece, worked in rows.

Row 1

(←): ch 42, dc in the 4th ch from the hook and in each ch across = 39 dc (the 3 skipped ch count as the first dc); that makes 13 bl = 13 squares (13 bl, 0 sp), 40 sts.

Row 2

(→): ch 3, turn; 1 bl, 11 sp, 1 bl = 13 squares (2 bl, 11 sp), 40 sts.

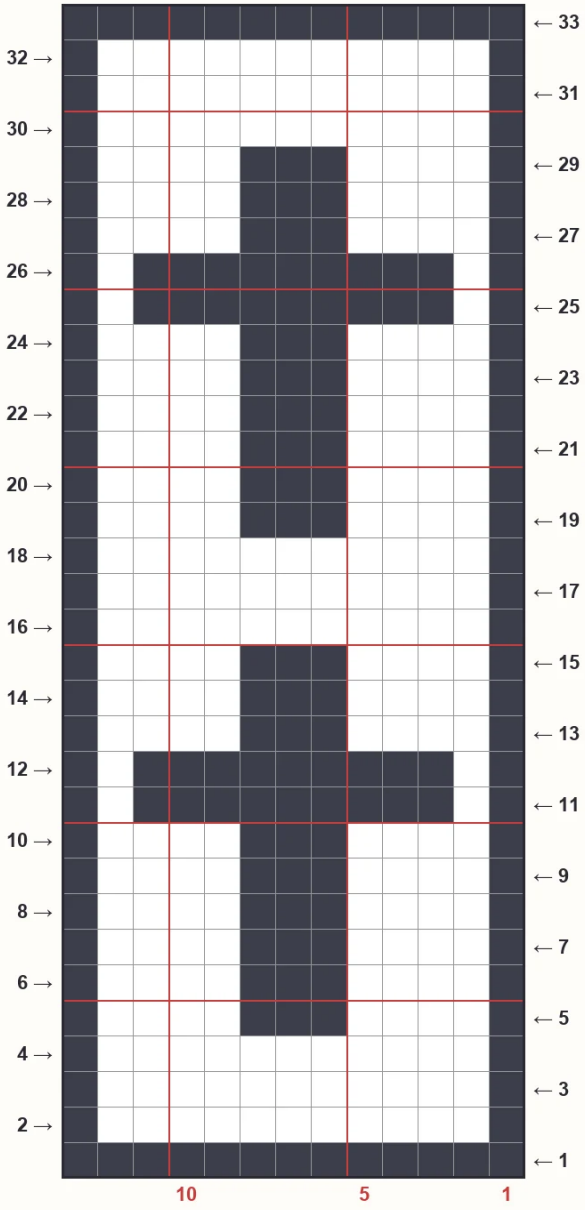
Chart

Filet chart: 13 squares x 33 rows

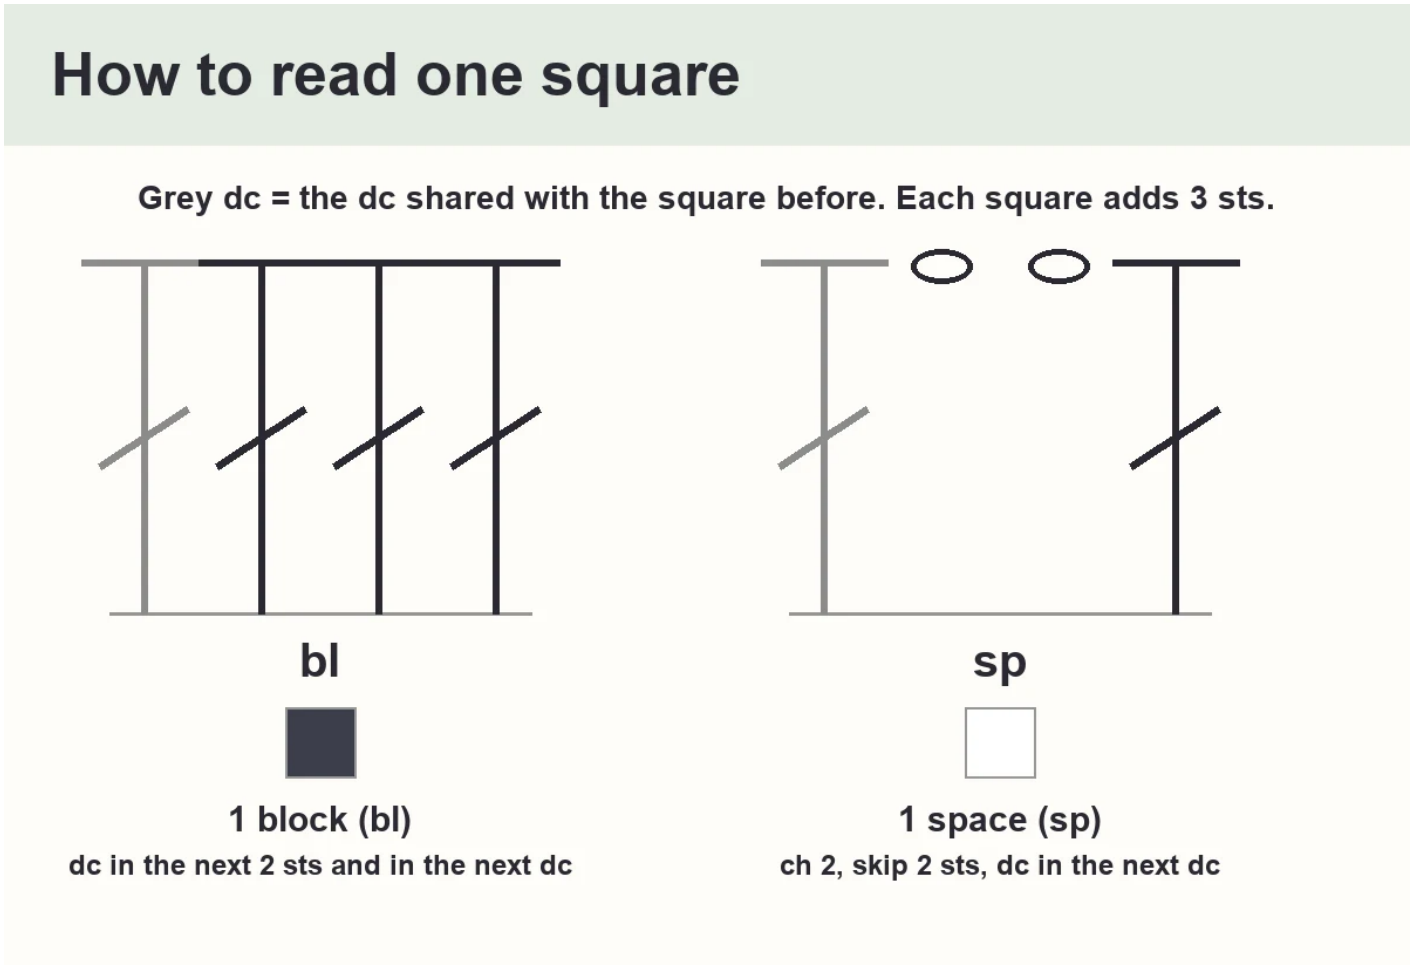


block (bl) = 3 dc **space (sp) = ch 2, dc**

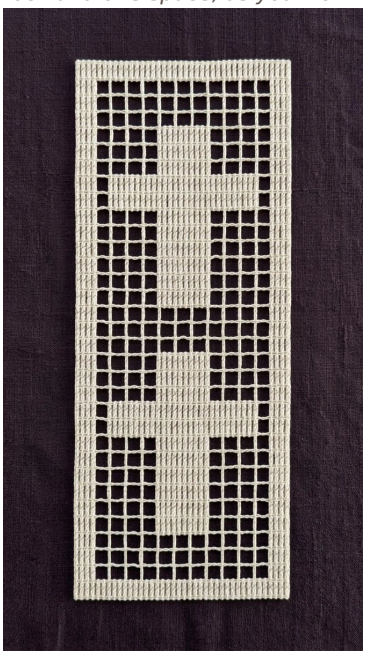
Row 1 is at the bottom. Odd rows: right to left (←). Even rows: left to right (→).
Square 1 = the right edge. Red lines every 5 squares and every 5 rows.

The chart: a filled square is a block, an empty square is a space. Row 1 is at the bottom.

Diagram



One block and one space, as you work them.



Each cross: an upright 3 squares wide and a crossbar 9 squares wide.

Finishing

Once it is blocked and dry, it is ready to slip between the pages of a book.

Finish and block

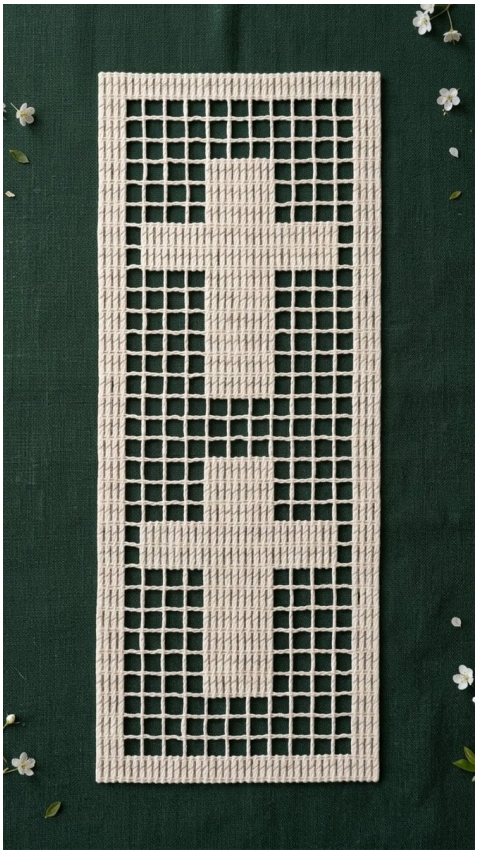
1. Weave in the ends

Weave in both ends along the solid border.

2. Block it

Pin it flat with square corners, one pin in each corner and every few squares along the edges. Spray starch is best, so the bookmark stays flat and firm; let it dry fully before you unpin.

Care: Wash as your yarn label says; block flat to dry.



Preview on green linen: the two crosses stand out against the open mesh.
