3	2–3	~2 in	2–2.5 mm
flat pieces	rounds each	across (est.)	hook

A little sandwich cookie in 3 flat pieces: 8 scallops, a window on top and a colored filling. Crochet the rounds, stack the pieces and sew them together.

The finished cookie

Beige dough, a pink filling seen through the window and peeking out at the edge, 8 scallops. Change the filling color for a plate of pastel cookies.

Materials

Size	About 2 in across (estimated from the gauge below)
Yarn	Light cotton blend (YarnArt Jeans type, 50 g / 175 yd): beige (dough) about 16 yd and filling color about 8 yd per cookie (estimates, 30 % margin)
Hook	2-2.5 mm (US B-1 is 2.25 mm), yarn needle
Gauge	24 dc = 4 in (not critical)
Time	About 75 minutes per cookie, sewing included (estimate, not timed)
Skills	magic ring, ch, sl st, sc, dc, whipstitch

Stitch counts checked round by round by our simulator. This pattern has not been crocheted and swatched by a person: size, yarn and time are estimates.

Abbreviations (US terms)

ch	chain
sl st	slip stitch
sc	single crochet
dc	double crochet
st(s)	stitch(es)
rep	repeat
Rnd	round

Before you start

- Three flat pieces make one cookie: a top with a window, a bottom, and a middle in the filling color. The bottom and the middle follow the same rounds.
- Every piece is double crochet in joined rounds, worked with the right side up from start to end (no turning).
- The ch 3 that opens a round stands for its first dc; close the round with a sl st into that ch 3.
- Stitch totals for each round are given in parentheses after the round.
- Read the charts from the middle outward: one symbol stands for one stitch, and the color of a round matches its label in the written rounds. The opening ch 3 appears as a dc; joining sl sts are left out.

Top piece (with window)

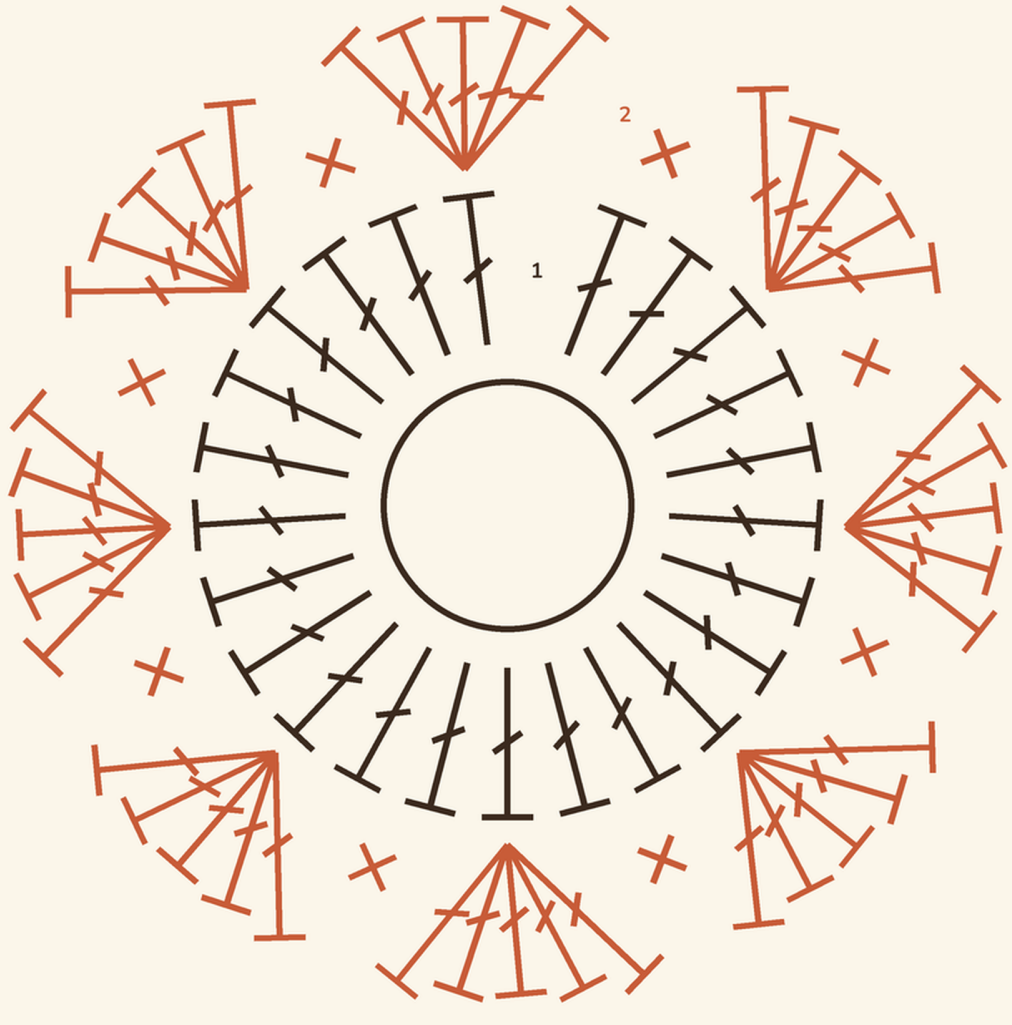

Make 1 in the beige (dough) color.

Rnd 1 Ch 12, join with sl st in the first ch to form a ring (this ring is the window). Ch 3 (counts as the first dc), 23 dc in the ring (work over the chain, into the ring). Join with sl st in the top of the ch-3. (24 dc)

Rnd 2 Ch 3 (counts as the first dc), 4 dc in the same st, skip the next st, sc in the next st. *5 dc in the next st, skip the next st, sc in the next st; rep from * 6 more times. Join with sl st in the top of the ch-3. (8 scallops: 40 dc and 8 sc)

» Fasten off and weave in the end. You have a ring of 8 scallops with a window in the middle.

Top piece (with window): make 1

Bottom and middle pieces

Work 2 alike: one in the beige (dough) color (bottom), one in the filling color (middle).

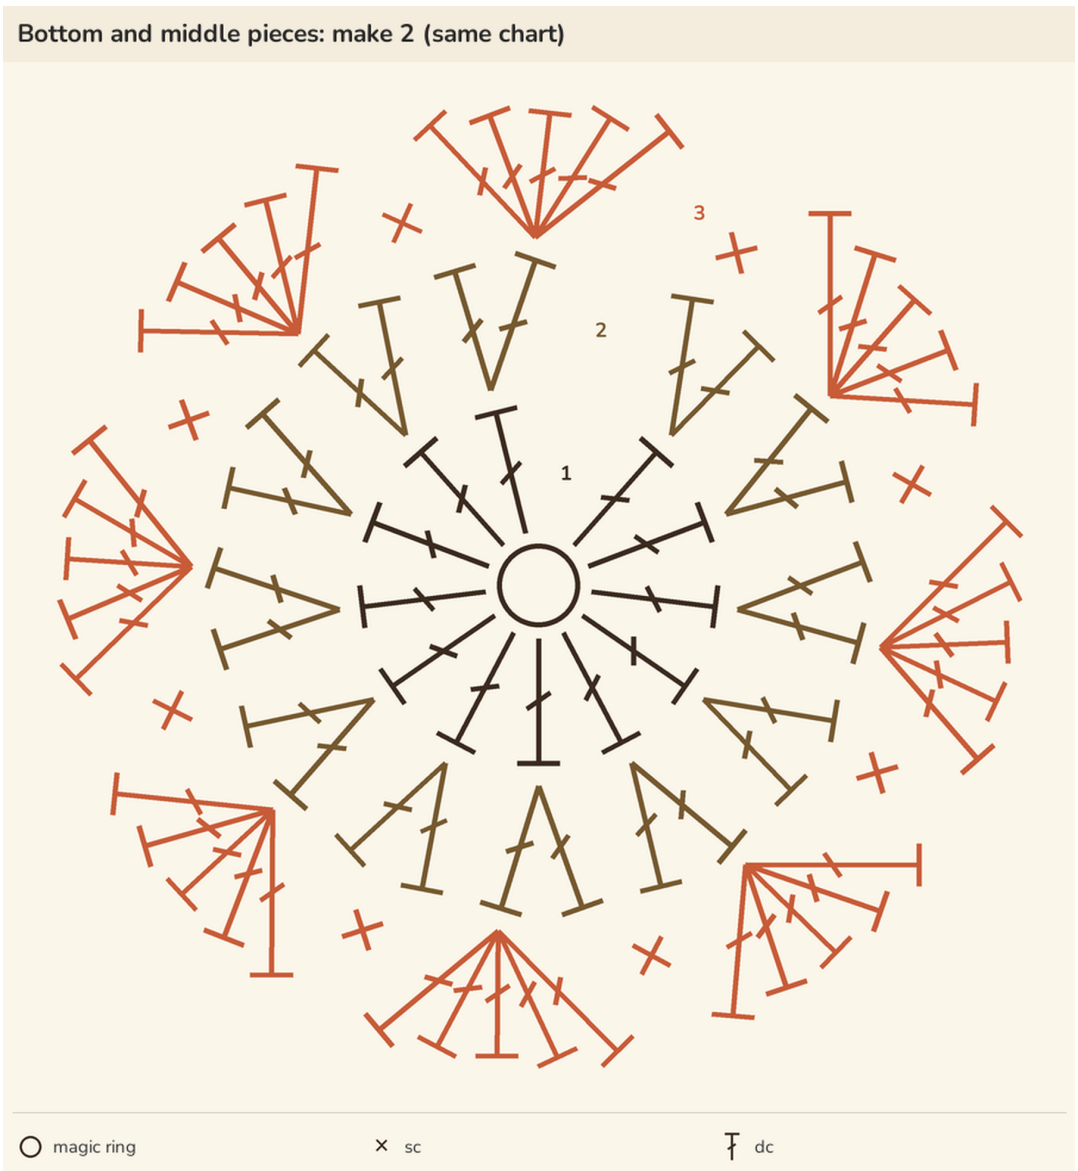

Rnd 1 Make a magic ring. Ch 3 (counts as the first dc), 11 dc in the ring. Pull the ring closed. Join with sl st in the top of the ch-3. (12 dc)

Rnd 2 Ch 3 (counts as the first dc), dc in the same st, 2 dc in each st around. Join with sl st in the top of the ch-3. (24 dc)

Rnd 3 Ch 3 (counts as the first dc), 4 dc in the same st, skip the next st, sc in the next st. *5 dc in the next st, skip the next st, sc in the next st; rep from * 6 more times. Join with sl st in the top of the ch-3. (8 scallops: 40 dc and 8 sc)

» Bottom piece: fasten off and leave a 40 in tail for sewing. Middle piece: fasten off and weave in the end.

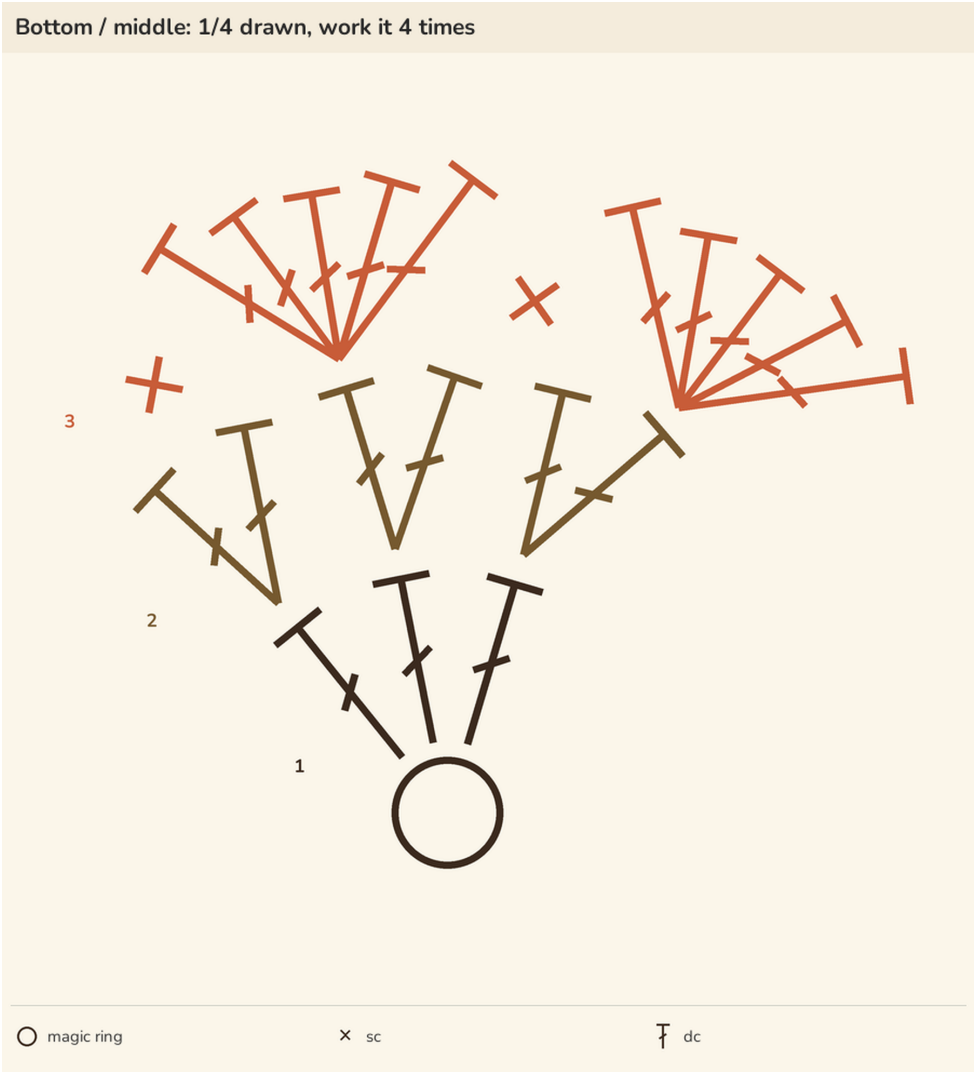

Bottom and middle pieces: make 2 (same chart)

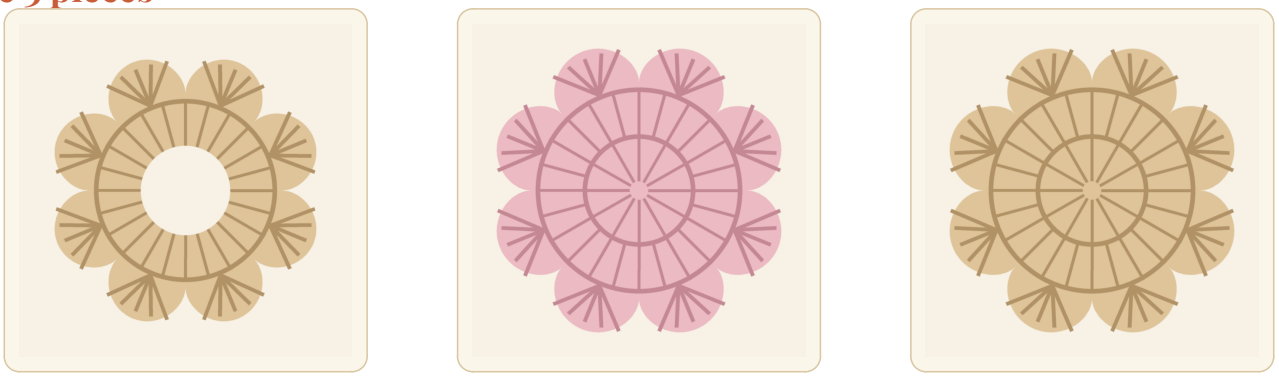

The scallop round

Each scallop uses 3 stitches of the round below: 5 dc in the 1st st, skip the 2nd, sc in the 3rd. 24 sts / 3 = 8 scallops. The chart shows 1/4 of the bottom piece (3 dc, 6 dc, 2 scallops); work it 4 times around.

Bottom / middle: 1/4 drawn, work it 4 times

The 3 pieces

Top (with window), middle (filling), bottom. Illustration drawn from the pattern, not a photo of a crocheted cookie.

Assembly

1. Block or steam the 3 pieces flat so the scallops open.
2. Lay the bottom piece wrong side up (its right side will face the table).
3. Put the middle piece (filling) on top, right side up, scallops matching.
4. Put the top piece on top, right side up, scallops matching.
5. With the long tail of the bottom piece, whipstitch around the edge through all 3 layers, going into both loops of every stitch of the scallop round (dc and sc). Fasten off and hide the end between the layers.
