Filet Crochet Heart Coaster (Free Pattern, Set of 4)

One filet heart in cream cotton, about 5 1/2 x 5 1/2 in each · US terms

One filet heart on a red Valentine table. Photos are previews of the finished look, not a crocheted sample.

Finished size: About 5 1/2 x 5 1/2 in (14.2 x 14 cm), estimated from the gauge below
Chart: 9 squares x 11 rows: 52 blocks, 47 spaces (48% open)
Yarn: DK weight (#3) 100% cotton in cream: about 25 yd per coaster, about 100 yd for the set of 4 (estimated, with a 20 % margin)

Our simulator replayed every row. This pattern has not been crocheted and swatched by a person: size, yarn and time are estimates, and your piece will differ a little.

Materials, sizes and terms

Materials

cream: about 25 yd (estimate)
The yardage is for ONE coaster: for a set of 4, plan about 100 yd.
Choose a smooth 100% cotton yarn: it takes heat and water, and the heart stays crisp after blocking.
Yarn needle, scissors, rust-proof pins and a towel or a foam mat for blocking.
Hook: US E-4 (3.5 mm), or the size you need for the gauge; yarn needle
Time: About 1 hour 15 minutes per coaster, about 5 hours for the set of 4 (estimated, not timed)

Abbreviations (US terms, UK in brackets)

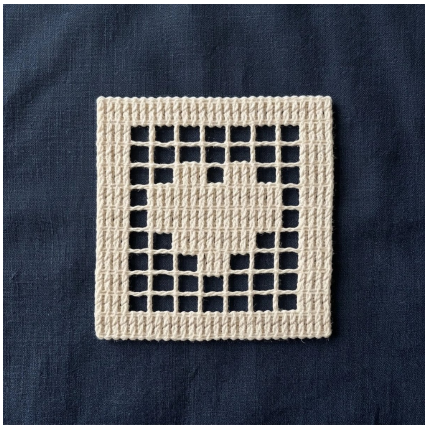

ch = chain
dc = double crochet (UK tr)
bl = block: 3 dc
sp = space: ch 2, then a dc
st(s) = stitch(es)

Gauge

20 dc and 8 rows = 4 in (10 cm) (suggested: measure your own)

Notes

- US crochet terms. ch = chain, dc = double crochet, st(s) = stitch(es), bl = block, sp = space.
- bl (block) = dc in the next 2 sts (or 2 dc in the ch-2 space) and in the next dc. sp (space) = ch 2, skip 2 sts (or the space), dc in the next dc.
- Every row has 9 squares = 28 sts: the first dc, then 3 sts for every square.
- Ch 3 at the start of a row counts as the first dc: skip the dc at the base of the ch-3, and work the last dc of each row in the top of the turning ch-3 (on Row 2: in the top of the 3 skipped ch of the foundation chain).
- Odd rows are worked right to left (←), even rows left to right (→). Row 1 is the bottom row of the chart.
- Photos are previews of the finished look, not a crocheted sample.

The heart: 2 small tops, 2 full rows of 5 blocks, then 3 blocks and a point of 1 block.

Coaster

Make 4 (one at a time). In cream, one piece, worked in rows.

Row 1

(←): ch 30, dc in the 4th ch from the hook and in each ch across = 27 dc (the 3 skipped ch count as the first dc); that makes 9 bl = 9 squares (9 bl, 0 sp), 28 sts.

Row 2

(→): ch 3, turn; 1 bl, 7 sp, 1 bl = 9 squares (2 bl, 7 sp), 28 sts.

Row 3

(←): ch 3, turn; 1 bl, 7 sp, 1 bl = 9 squares (2 bl, 7 sp), 28 sts.

Row 4

(→): ch 3, turn; 1 bl, 3 sp, 1 bl, 3 sp, 1 bl = 9 squares (3 bl, 6 sp), 28 sts.

Row 5

(←): ch 3, turn; 1 bl, 2 sp, 3 bl, 2 sp, 1 bl = 9 squares (5 bl, 4 sp), 28 sts.

Row 6

(→): ch 3, turn; 1 bl, 1 sp, 5 bl, 1 sp, 1 bl = 9 squares (7 bl, 2 sp), 28 sts.

Row 7

(←): ch 3, turn; 1 bl, 1 sp, 5 bl, 1 sp, 1 bl = 9 squares (7 bl, 2 sp), 28 sts.

Row 8

(→): ch 3, turn; 1 bl, 2 sp, 1 bl, 1 sp, 1 bl, 2 sp, 1 bl = 9 squares (4 bl, 5 sp), 28 sts.

Row 9

(←): ch 3, turn; 1 bl, 7 sp, 1 bl = 9 squares (2 bl, 7 sp), 28 sts.

Row 10

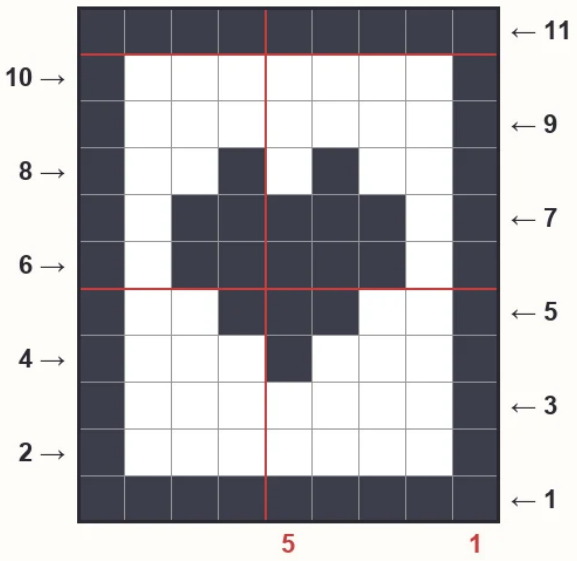

(→): ch 3, turn; 1 bl, 7 sp, 1 bl = 9 squares (2 bl, 7 sp), 28 sts.

Row 11

(←): ch 3, turn; 9 bl = 9 squares (9 bl, 0 sp), 28 sts. Fasten off.

Chart

Filet chart: 9 squares x 11 rows

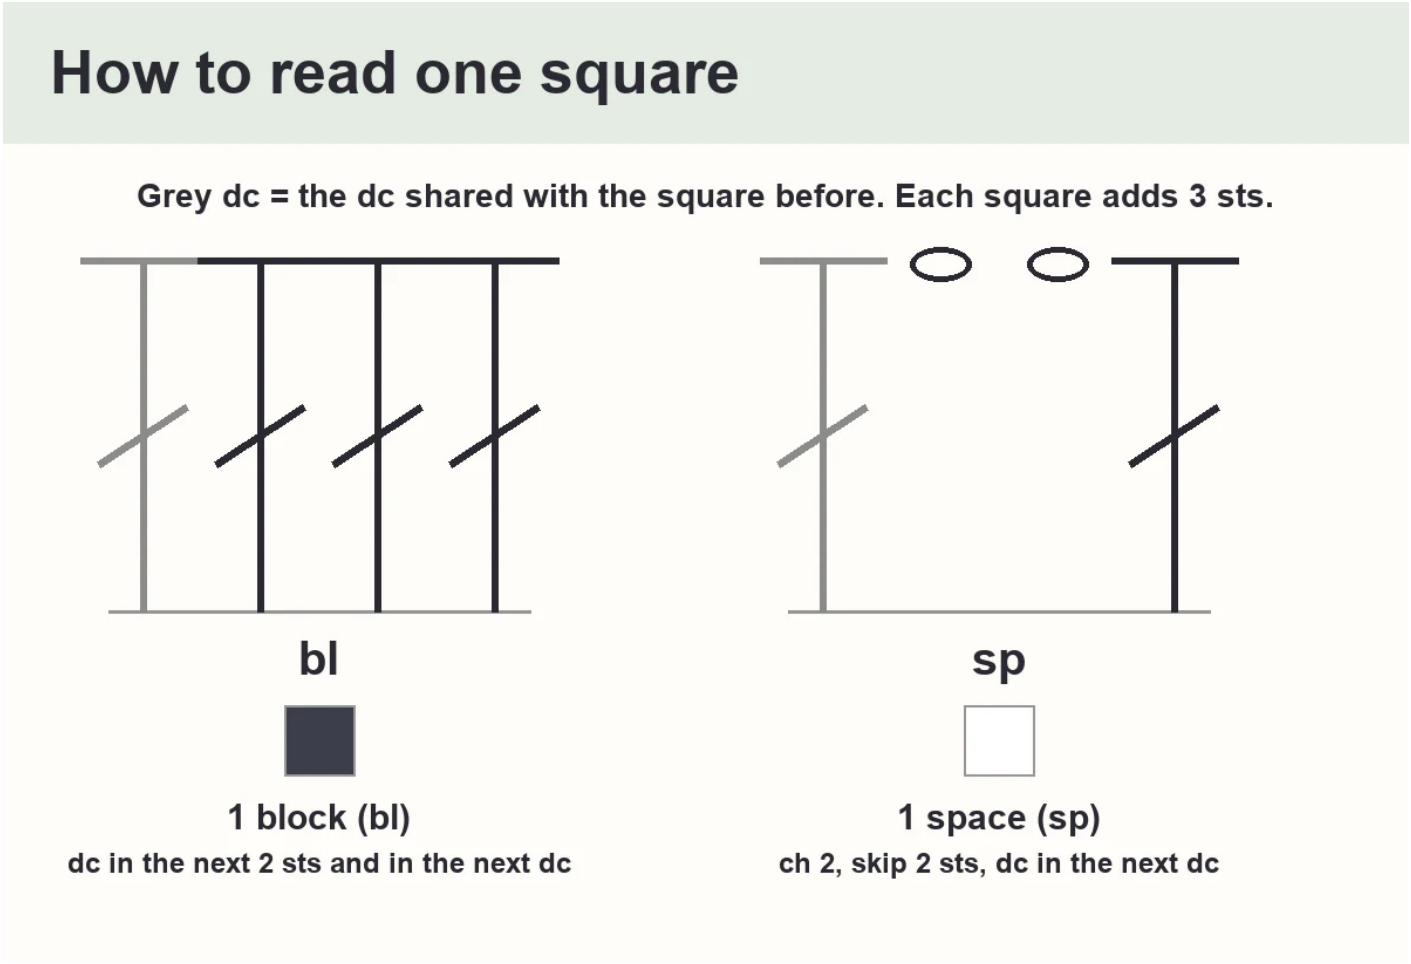

block (bl) = 3 dc **space (sp) = ch 2, dc**

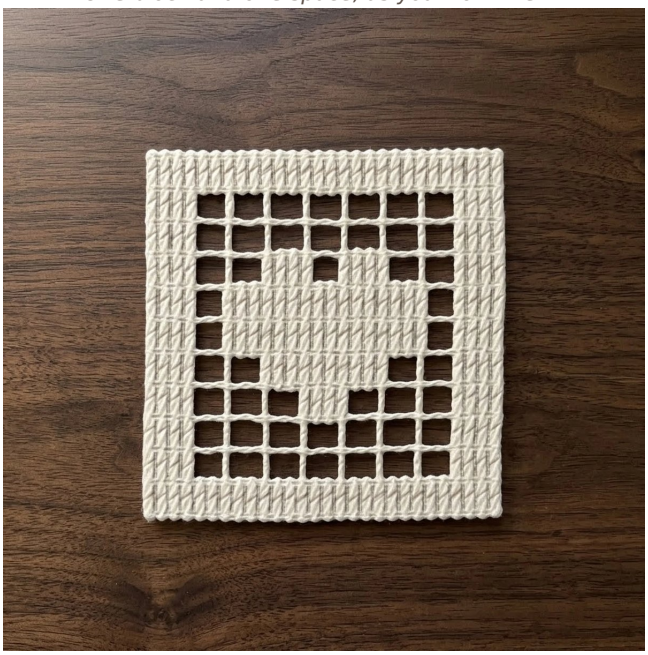

Row 1 is at the bottom. Odd rows: right to left (←). Even rows: left to right (→).
Square 1 = the right edge. Red lines every 5 squares and every 5 rows.

The chart: a filled square is a block, an empty square is a space. Row 1 is at the bottom.

Diagram

One block and one space, as you work them.

9 squares by 11 rows: a solid border, a mesh of spaces and 1 heart.

Finishing

Once it is blocked and dry, it is ready for a mug or a glass.

Finish and block

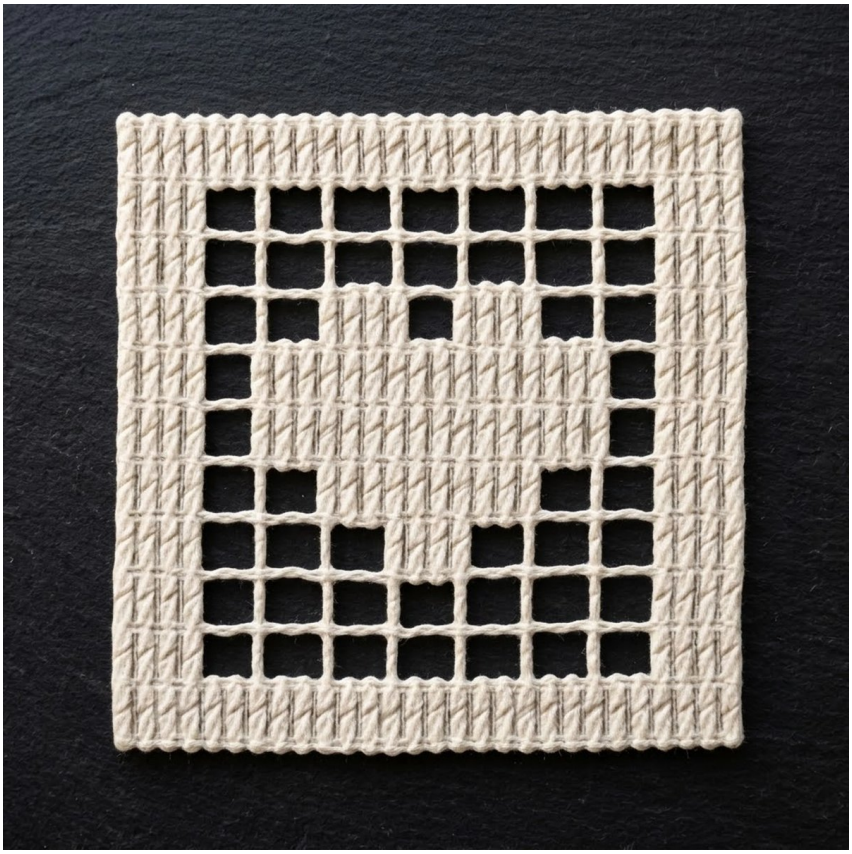

1. Weave in the ends

Weave in both ends along the solid border.

2. Block it

Pin it flat with square corners, one pin in each corner and every few squares along the edges. Mist it with water or spray starch and let it dry fully before you unpin.

Care: Wash as your yarn label says (most cotton yarns: machine wash on a gentle cycle in a laundry bag), then block it flat again to dry.

Pin it flat with square corners and let it dry before a mug goes on it.

Thank you!
