Three little hearts stacked in blocks and spaces · US terms

The finished look: three little hearts in cream thread. Photos are previews of the finished look, not a crocheted sample.

Finished size: About 3 x 7 3/4 in (7.4 x 19.4 cm), estimated from the gauge below
Chart: 13 squares x 35 rows: 203 blocks, 252 spaces (55% open)
Yarn: Size 10 crochet cotton thread in cream: about 45 yd (estimated, with a 20 % margin)

Stitch counts checked row by row by our simulator. This pattern has not been crocheted and swatched by a person: size, yarn and time are estimates, and your piece will differ a little.

Materials, sizes and terms

Materials

cream: about 45 yd (estimate)

Tapestry needle and scissors; spray starch (optional) for a crisp, flat bookmark.

DK cotton and a US G-6 hook make the same chart much bigger (a small wall hanging): the stitch counts stay the same.

Abbreviations (US terms, UK in brackets)

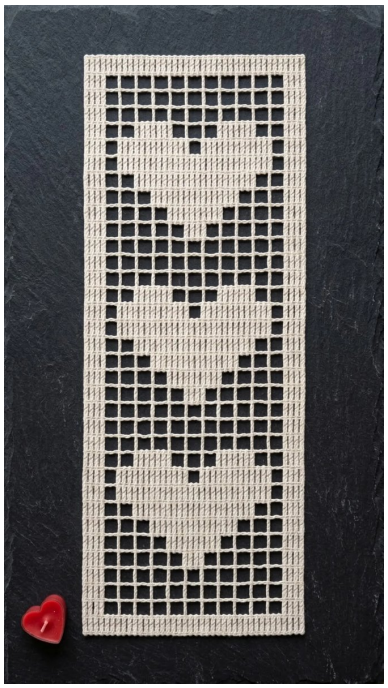

ch = chain
dc = double crochet (UK tr)
bl = block: 3 dc
sp = space: ch 2, then a dc
st(s) = stitch(es)

Gauge

About 4 1/2 squares and 4 1/2 rows = 1 in (2.5 cm) (suggested: measure your own; the size is approximate)

Notes

- US crochet terms. ch = chain, dc = double crochet, st(s) = stitch(es), bl = block, sp = space.
- bl (block) = dc in the next 2 sts (or 2 dc in the ch-2 space) and in the next dc. sp (space) = ch 2, skip 2 sts (or the space), dc in the next dc.
- Every row has 13 squares = 40 sts: the first dc, then 3 sts for every square.
- Ch 3 at the start of a row counts as the first dc: skip the dc at the base of the ch-3, and work the last dc of each row in the top of the turning ch-3.
- Odd rows are worked right to left (←), even rows left to right (→). Row 1 is the bottom row of the chart.
- Photos are previews of the finished look, not a crocheted sample.

On dark slate: every block and space matches the chart.

Chart

Filet chart: 13 squares x 35 rows

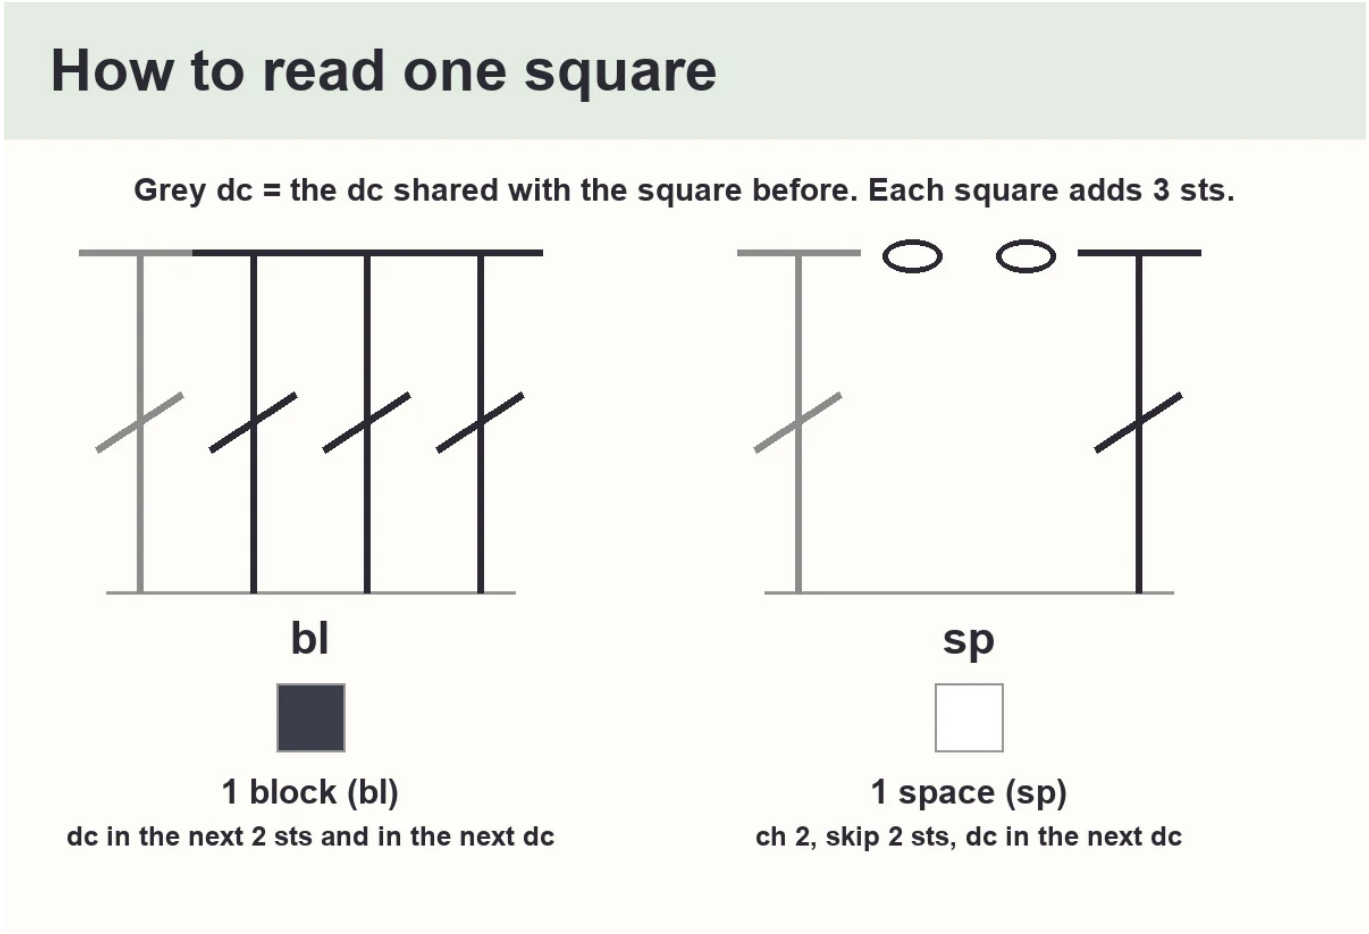

block (bl) = 3 dc **space (sp) = ch 2, dc**

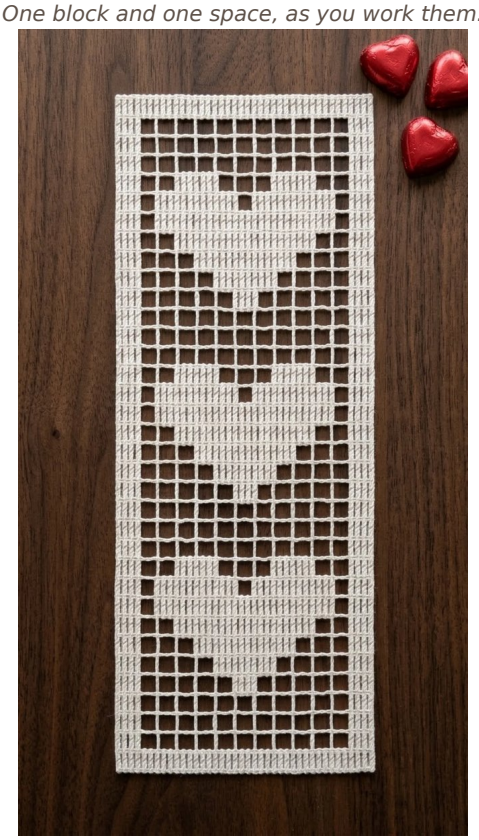

Row 1 is at the bottom. Odd rows: right to left (←). Even rows: left to right (→).
Square 1 = the right edge. Red lines every 5 squares and every 5 rows.

The chart: a filled square is a block, an empty square is a space. Row 1 is at the bottom.

Diagram

One block and one space, as you work them.

Count one heart from its tip: 1, 3, 5, 7 and 9 blocks, then the 2 tops.

Finishing

Once it is blocked and dry, it is ready to slip between the pages of a book.

Finish and block

1. Weave in the ends

Weave in both ends along the solid border.

2. Block it

Pin it flat with square corners, one pin in each corner and every few squares along the edges. Spray starch is best, so the bookmark stays flat and firm; let it dry fully before you unpin.

Care: Wash as your yarn label says; block flat to dry.

Preview on navy linen: once blocked, the spaces open and the hearts stand out.
